

TJM Website Report Summary

This is a summary of the annual compliance report submitted to the Competition and Markets Authority and Groceries Code Adjudicator in accordance with The Groceries (Supply Chain Practices) Market Investigation Order 2009 (the 'Order').

Steps take to Comply with the Order and Groceries Supply Code of Practice ('GSCOP')

- Appointment of a Code Compliance Officer.
- Incorporated GSCOP into all supply agreements.
- Procedures have been adapted to ensure written terms and Article 6, of the Order, notices are issued on supplier set up.
- Providing existing suppliers with written terms of their supply agreement and the information required by Article 6 of the Order.
- Producing guidance for suppliers to enable them to understand what constitutes their supply agreement.
- Training all buyers.
- Implementing online training.
- Internal functions have been adjusted to ensure terms are recorded.

Issues Raised by Suppliers

No disputes under Article 11 of the Order have been raised by suppliers.

Six suppliers raised items for the Senior Buyer to review.

All issues raised were resolved between the buying team and supplier without direct contact with the Code Compliance Officer.
